

Zouire gains additional Shelter Insurance programs

MERRIAM, Ks., August 2007 – After 9 years of providing apparel to Shelter Insurance, Zouire has been awarded the contract to provide Shelter branded merchandise, as well as agent-imprinted items. Once a year, Zouire will provide holiday items in addition to apparel and hard goods. Shelter Insurance has been a great customer to Zouire and the relationship continues to thrive. The ability to provide a one-stop shop for Shelter agents made Zouire the perfect fit.

The Shelter Insurance program is part of the Corporate Division at Zouire Marketing Group.
